

Transform a child's life through adoption...

Do you have the love, time and commitment to give a child a long-term family?

Adoption Tees Valley is a local authority service providing the highest quality and best possible outcomes for adopters, children and birth families. We create broad options for matching hundreds of children and adoptive families across the region.

Supporting you at every stage:

- Preparation training
- Post-adoption support including therapeutic services
- Counselling, information and advice
