Primary Hub Project

During the school year 2016 – 2017, there were 7 Primary Hub Activity sessions held in Stockton.

The Project was about collecting Looked After Children's views and opinions on a range of questions that related to them.

This booklet is a record of all the views that were gathered and it is a thank you – to all the pupils who attended the sessions, gave their views and enjoyed themselves.

Thank you also to Stockton School and Local Authority colleagues for their time and support.
